Summary

Aspiring Software Engineer and final-year student at UKM with interest in full-stack development. Developed 'I-KOM', a high-impact management system for the faculty, successfully delivering a fully working system within . Proficient in Laravel and backend architecture, with a strong passion for building scalable systems. A former student association leader with excellent adaptability and communication skills, seeking a Software Engineering internship to contribute technical expertise while embracing growth in a professional environment.

Education

Universiti Kebangsaan Malaysia Information System	Bachelor of Software Engineering • 3.75 Bangi, Selangor • 2023-Current
Kolej Matrikulasi Johor Science	Physical Science • 4.00 Tangkak, Johor • 2022-2023
MRSM Taiping Pure Science Stream	Sijil Pelajaran Malaysia • 9A Taiping, Perak • 2020-2022

Projects

Management and Assessment System of Digital Community & Innovation Management Course (I-KOM)	2025-2026
Developed a centralized evaluation platform using PHP (Laravel) and MySQL to automate faculty-wide grading processes. Implemented Agile methodology and role-based workflows to streamline soft skills and project assessments, reducing data inconsistencies and improving administrative efficiency.	
KPZ Parcel Management System (EZPARCEL)	2025
Developed an automated parcel management system for KPZ (UKM) to replace manual tracking with a secure digital solution. Improved parcel security and operational efficiency through automated logging and analytics, enhancing data-driven decision-making.	

Skills

 Web Development Expert HTML, PHP, CSS, JavaScript	 Mobile Development Intermediate Kotlin, Jetpack Compose, Firebase
 ETL Proficient Python, Pandas	 Software Quality Assurance Expert Manual Testing, User Acceptance Testing, Documented Test Case

Certifications

Fast-Track Data Analysis and Presentations	2026
Google Completed a course in fast-track data analysis, focusing on extracting insights and presenting data effectively through clear visualizations and reports.	

Languages

Bahasa Melayu Native	English Full Professional Proficiency	Mandarin Basic
-------------------------	--	-------------------

Leadership Experiences

Student Association Faculty of Information Science and Technology	Faculty of Information Science and Technology
Exco of Spiritual and Moral Development	2024-2025
Pendeta Za'ba College	Pendeta Za'ba College
Bureau of Spiritual Affairs	2023-2024
Student Disciplinary Board	MRSM Taiping
Head of Bureau	2020-2021

Awards

Best Program Award PERTAMA 2024/2025	2025
FTSM, UKM	
Tech Explorer With Orphans (TEWO) has won the Best Program Award for PERTAMA Session 2024/2025. TEWO organized and led a community outreach program providing digital literacy exposure to orphans students of SMK Jalan 3. Facilitated hands on workshops covering fundamental programming concepts, robotics, and User Interface (UI) design, successfully bridging the digital divide and fostering interest in STEM technologies among the youth.	
Dean's List (All Semesters)	2023 – 2025
Universiti Kebangsaan Malaysia	
Achieved Dean's List for every semester by maintaining consistently high academic performance.
